- (d) A requester shall be permitted to use facilities comparable to those available to City employees to inspect, copy or abstract a record. This subsection does not authorize or require the purchase or lease of equipment nor does it require the provisions of a separate room for inspection, copying or abstracting of records.
- (e) The authority may require supervision during inspection or may impose other reasonable restrictions on the manner of access to an original record if the record is irreplaceable or easily damaged.
- (f) A requester shall be charged a fee to defray the cost of locating and copying records as follows:

- 1. A cost per page of photocopying, as determined by the City Clerk, shall be charged. Said cost shall not exceed the actual, necessary and direct costs to the authority of reproduction, and such charges shall be prominently displayed and made available for inspection by the authority at its office.
- 2. If the form of a written record does not permit copying, the actual and necessary cost of photographing and photographic processing shall be charged.

- 6. The authority shall estimate the cost of all applicable fees and may require a cash deposit adequate to assure payment if such estimate exceeds \$5.
- 7. The authority may provide copies of a record without charge or at a reduced charge where he determines that waiver or reduction of the fee is in the public interest.

(6) ACCESS PROCEDURES.

- (a) A request to inspect or copy a record shall be made to the authority. A request shall be deemed sufficient if it reasonably describes the requested record or the information requested. However, a request for a record without a reasonable limitation as to subject matter or length of time represented by the record does not constitute a sufficient request. A request may be made orally, but a request must be in writing before an action to enforce the request is commenced under §19.37., Wis. Stats. Except as provided below, no request may be refused because the person making the request is unwilling to be identified or to state the purpose of the request. No request may be refused because the request is received by mail unless prepayment of a fee is required under sub. (5)(f)6. above. A requester may be required to show acceptable identification whenever the requested record is kept at a private

residence or whenever security reasons or Federal law or regulations so require.

(b) Each custodian, upon request for any record, shall, as soon as practicable and without delay, either fill the request or notify the requester of the authority's determination to deny the request in whole or in part and the reasons therefore. When the legal custodian has doubts as to whether the requested records are exempt for disclosure, in whole or in part, he/she shall have seven working days to confer with the City Attorney prior to making a determination. If the legal custodian, after conferring with the City Attorney, determines that a written request is so general as to be unduly time consuming, the party making the request may first be required to itemize his request in a manner which would permit reasonable compliance. (1654 09/92)

(c) A request for a record may be denied as provided in sub. (7) below. If a request is made orally, the request may be denied orally unless a demand for a written statement of the reasons denying the request is made by the requester within five business days of the oral denial. If a written request is denied in whole or in part, the requester shall receive a written statement of the reasons for denying the request. Every written denial of the request shall inform the requester that if the request for the record was made in writing, then the determination is subject to review upon petition for a writ of mandamus under §19.37(1), Wis. Stats., or upon application to the Attorney General or a district attorney.

- (c) In responding to a request for inspection or copying of a record which is not specifically exempt from disclosure, the legal custodian, after conferring with the City Attorney, may deny the request, in whole or in part, only if he determines that the harm to the public interest

resulting from disclosure would outweigh the public interest in full access to the requested record. Examples of matters for which disclosure may be refused include, but are not limited to, the following:

  2. Records of current deliberations after a quasijudicial hearing.

Stats.
- (c) If a record contains information that may be made public and information that may not be made public, the custodian of the

record shall provide the information that may be made public and delete the information that may not be made public from the record before release. The custodian shall confer with the City Attorney prior to releasing any such record and shall follow the guidance of the City Attorney when separating out the exempt material. If in the judgment of the custodian and the City Attorney there is no feasible way to separate the exempt material from the nonexempt material without unreasonably jeopardizing non-disclosure of the exempt material, the entire record shall be withheld from disclosure.

**1.70 DECLARATION OF POLICY.** To ensure that the public can have complete confidence in the integrity of the City of Baraboo, each elected and appointed official and each employee shall respect and adhere to the fundamental principals of ethical service. The proper operation of City government demands that:

- (1) City officials and employees be independent, impartial, and responsible to the people;
- (2) Decisions be made in the proper channels of the City governmental structure;
- (3) City offices should not be used for personal gain;
- (4) City business should be conducted in such a way so as to re-enforce the public's confidence in its integrity.

In recognition of these fundamental principles, there is hereby created a Code of Ethics.

The members shall not be elected officials, full-time appointed officials or City employees, nor shall a member be currently serving on any other City board, commission, or committee. Each

member shall be appointed by the Mayor, subject to confirmation by the Common Council. The members shall serve staggered three year terms expiring on the first day of May of the third year following their appointment, except as otherwise provided in the implementation of this subchapter. The alternate member shall serve on the Board when one of the regular members is unavailable or unable to serve. The Board shall elect a chairperson and vice-chairperson. The City Attorney shall provide legal advice and assistance to the Board. The City Clerk shall serve as the secretary of the Board.

(2) POWERS AND DUTIES:

- (a) The Ethics Board shall adopt and develop written Rules of Procedure which shall be submitted to the Common Council for approval. A copy of the Rules of Procedure shall be filed with the City Clerk.
- (b) As an alternative to obtaining an advisory opinion from the City Attorney as provided in §1.83, any person covered by this subchapter as provided in §1.73 may apply in writing to the Board for an advisory opinion regarding the propriety of any matter to which the person is or may become a party. The Board shall meet to review such a request for an advisory opinion and may advise the person making the request. Advisory opinions and requests, therefore, shall be in writing and shall state all material facts. It shall be prima facie evidence of intent to comply with this subchapter when a person refers a matter to the Board and abides by the advisory opinion of the Board if the material facts are as stated in the opinion request. Meetings held by the Board for deliberation and action upon such application shall not be open to the public nor shall a Common Council member or the Mayor be authorized to attend any such meeting of the Board unless requested to do so by the Board. Advisory opinions rendered by the Board shall be in writing and shall state the material facts upon which the opinion is based. A record of the Board's opinions, opinion requests and investigations of violations shall be closed to public inspection as required by Chapter 19, Wis. Stats. Except as provided by §19.59(5)(b), Wis. Stats., the Board shall not make public the identity of any person requesting an advisory opinion or of persons or organizations mentioned in the opinion. If the Board determines that an advisory opinion rendered by the Board would be of significant value to

other officials or employees, the Board may issue a summary of the opinion provided that the summary does not disclose the identity of the person originally requesting the advisory opinion. In all cases, the Board may request an advisory opinion from the City Attorney.

- (c) All complaints alleging that an official or employee committed a violation of this subchapter shall be addressed to the Ethics Board and shall be filed with the City Clerk. All such complaints shall be in writing and verified and shall state the name of the official or employee alleged to have committed a violation of this subchapter and shall further state the evidentiary facts supporting the charge.
- (d) Within 14 days after the filing of a properly verified complaint, with the City Clerk, the Board shall meet to review the complaint. Within three business days after its initial review of the complaint, the Board shall mail a copy of the Complaint to the respondent by certified mail.
- (e) Following its initial review of a verified complaint, the Board may make a preliminary investigation with respect to each alleged violation of this subchapter. No preliminary investigation of an alleged violation of this subchapter may be initiated until a copy of the Complaint and notice of the Board's intent to investigate the charge has been mailed by certified mail to the respondent. The preliminary investigation shall be completed within 30 days after the date that the Complaint and notice thereof is mailed to the respondent except the Board may extend the investigation period for us to an additional 60 days with notice to the respondent and to the complainant.
- (f) If, after its preliminary investigation, the Board finds that probable cause does not exist for believing that the respondent violated this subchapter, it shall dismiss the Complaint. The Board shall promptly notify the complainant and the respondent by certified mail of its decision dismissing the Complaint. The Board's decision to dismiss a complaint shall be final. The same complaint or a complaint which is substantially similar to the dismissed complaint shall not be reconsidered by the Board unless within 20 days of the Board's mailing of its Dismissal Order, the complainant files with the Board additional material facts which were not available to

the complainant at the time the original Complaint was filed and which, if true, would probably change the Board's decision. The Board's decision to reconsider or not to reconsider a decision under this subsection shall be final. If the Board determines that a verified complaint was brought for harassment purposes, the Board shall so state in its decision.

- (g) If, after its preliminary investigation, the Board finds that probable cause does exist for believing the allegations of the Complaint, it shall conduct a hearing on the matter. The hearing shall be held not more than 60 days after the Board's finding of probable cause. The Board shall give the respondent and complainant written notice of the hearing date by mailing a notice thereof to the respondent and to the complainant by first class mail at least 20 days prior to the hearing date thereof. The hearing shall be held in closed session except that the respondent shall have a right to demand that the hearing be held in open session and, upon such demand, the Board shall conduct the hearing in open session.
- (h) The chairperson of the Board shall preside over the proceedings and the City Attorney shall provide legal assistance to the Board as needed. The complainant and the respondent may be represented by an attorney and the respondent may also be represented by a union representative. Both parties may compel the attendance of witnesses by Subpoenas. Subpoenas may be issued by the Chairperson of the Board pursuant to §885.01, Wis. Stats. Each party shall be responsible for serving subpoenas on their respective witnesses and for paying any witness and mileage fees to the witness as required by the Wisconsin Statutes.
- (i) All testimony of witnesses at the proceedings shall be given under oath, administered by the Chairperson in the form and manner prescribed by the Wisconsin Statutes. A record of the testimony may be made by stenographic, electronic or other recording method, as the Board determines. The record produced at the direction of the Board shall be the official record of the proceeding. The proceedings may be adjourned or continued by the Board from day to day until completed.
- (j) The proceedings shall be conducted in the following order:

1. Statement of the issues and rules by the Chairperson.
2. Brief opinion statements, if any, by both sides.
3. Presentation of testimony and the introduction of evidence by the complainant to substantiate the charge.
4. Cross examination of witnesses by the respondent.
5. One additional opportunity to question witnesses by the complainant.
6. One additional opportunity to cross-examine witnesses by the respondent.
7. Presentation of the base for the respondent.
8. Repeat of steps (4), (5) and (6) regarding witnesses and evidence produced on behalf of the respondent.
9. Opportunity for each side to present evidence in rebuttal of any evidence presented by the opposing side.
10. Brief closing arguments, if any, by both sides.

- (k) The Board shall not be bound by common law or statutory rules of evidence and the Board shall hear all evidence having reasonable probative value, but shall exclude immaterial, irrelevant, or unduly repetitious testimony or evidence. Basic principles of relevancy, materiality and probative force shall govern this proceeding. Hearsay evidence will not be permitted where direct evidence is reasonably available. The Board will not base crucial or essential evidentiary findings on hear-say evidence. Objections to evidentiary offers and offers of proof of evidence not admitted may be made and shall be noted in the record. All evidence, including records and documents, shall be duly offered and made a part of the record. The Chairperson shall rule on any objections or procedural matters. Any member of the Board and the City Attorney may ask questions of the witnesses. No party or witness shall be permitted to ask questions of any Board member during the proceedings, unless expressly authorized by the Chairperson.

- (l) Within 10 working days of the conclusion of the hearing, the Board shall file its written Findings of Fact, Conclusions of Law and Recommendations signed by a majority of the participating members and concerning the propriety of the conduct of the respondent. Any member of the Board may indicate his/her dissent to the written Order. If the Board determines that no violation of the Code of Ethics has occurred, it shall dismiss the

Complaint, and if requested to do so by the respondent, the Board shall issue a public statement in that regard. If the Board finds that clear, satisfactory and convincing evidence exists for believing the allegations of the Complaint, the Board shall refer its findings, conclusions and recommendation to the Common Council or to other property City Authority, and/or, in the case of an employee, to the City Administrator and/or the Mayor as deemed appropriate. In its recommendation, the Board may recommend that the Common Council order the official or employee to conform his or her conduct to the Ethics Code or recommend that the official or employee be cautioned, censured, suspended, removed from office, issued a private reprimand, public reprimand, and, in the case of an employee, may also recommend denial of a merit increase, suspension without pay, discharge, or other appropriate disciplinary action. In appropriate cases, the Board may recommend the referral of the matter to the District Attorney to commence enforcement proceedings pursuant to the procedures and remedies of §19.59, Wis. Stats.

- (m) Records obtained or prepared by the Board in connection with an investigation of a violation of this subchapter shall not be open for public inspection, except that the Board shall permit public inspection of records of a hearing conducted in open session pursuant to the requests of the respondent as provided in subsection (g) hereof. Whenever the Board refers an investigation and hearings record to a District Attorney, the District Attorney may make public such records in the course of a prosecution initiated thereon.
- (n) The time frames set forth in this subchapter specifying Board action are not jurisdictional and the Board may, where appropriate, extend any time period as necessary.
- (o) The Board may make recommendations to the Common Council with respect to amendments to this subchapter.

**1.85 SEVERABILITY.** If any provision of this subchapter is invalid or unconstitutional, or if the application of this subchapter to any person or circumstance is invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the other provisions or application of this subchapter which can be given affect without the invalid or unconstitutional provision or application.

**1.86 CODE OF CONDUCT FOR ELECTED AND APPOINTED OFFICIALS** (2309 08/11/2009, 2395 05/28/2013)

- (1) The proper operation of democratic government requires that public officials be independent, impartial, and responsible to the people; that decisions and policy be made in the best interests of the people, the community, and the government; that public office not be used for personal gain; and that the public has confidence in the integrity of its government. In recognition of these goals, this Code of Conduct shall apply to all elected and appointed officials of the City of Baraboo. Nothing contained herein is intended to deny to any individual those rights granted by the United States Constitution, the constitution and laws of the State of Wisconsin. The purpose of this code is to establish a minimum standard of conduct to assist public officials in avoiding those acts or actions that are incompatible with the best interests of City government and the people of the City of Baraboo. Further, this Code provides the process by which determinations are made that public officials have acted in ways which are incompatible with the best interests of City government and of the people of the City of Baraboo. This Code of Conduct neither supplants the City of Baraboo Code of Ethics, nor supersedes State Laws relating to the conduct of public officials.
- (2) **COUNCIL CONDUCT WITH ONE ANOTHER.** Councils are composed of individuals with a wide variety of backgrounds, personalities, values, opinions, and goals. Despite this diversity, all have chosen to serve in public office in order to preserve and protect the present and the future of the community. In all cases, this common goal should be acknowledged even as Council may “agree to disagree” on contentious issues.
  - (a) In Public Meetings. Elected and appointed officials shall conform with the following standards in public meetings:
    1. Practice civility and decorum in discussions and debate. Council members and members of committees shall not make personal, slanderous, threatening, or abusive comments. No shouting or physical actions that could be construed as threatening are allowed.
    2. Honor the role of the Chair in maintaining order. Council members and members of committees shall honor the Chair

in focusing discussion on current agenda items. Disagreements regarding the agenda or the Chair's actions, shall be voiced politely and with reason, following procedures outlined in parliamentary procedure.

3. Release of Confidential Information Prohibited. Members of Council and committees have a duty to hold in strict confidence all information concerning matters dealt with in Closed Session. The release of any confidential information to third parties is prohibited, including but not limited to the release of records prohibited by §19.35, §19.356, §19.36, Wis.Stats., or any other statutory or common law limitation on the release of records, and any document made available as a part of a closed session by the Council or committee. A Councilmember or a committee member shall not, either directly or indirectly release, make public, or in any way divulge any such information, or any aspect of the closed session deliberations to anyone, unless expressly authorized by Council or required by law to do so;

(b) In Private Encounters. Elected and appointed officials shall conform with the following standards in private encounters with the public:

1. Continue respectful behavior in private. The same rules regarding respect and consideration of differing viewpoints and speakers applicable to meetings should be maintained in private conversations regarding City business.
2. Be aware that written notes, voicemail messages, and email may be public records. Written notes, voicemail messages and email are subject to the same rules regarding respect and consideration as would be applicable to conduct in public meetings and private encounters regarding City business. Such items shall be treated as public communications subject to the Wisconsin Open Records Law.
3. Applicability of City Harassment Policy. The City of Baraboo maintains a Harassment Policy. City elected and appointed officials are subject to this

policy the same as City employees. Violations of the Harassment Policy by elected or appointed official may subject the City and its taxpayers to liability. Without limiting the generality of the foregoing, members of council and committees shall not engage in any of the following when directed at or to City officials, employees, contractors and their employees, and the general public while engaged in City business:

Prohibited Activity (Sexual Harassment and Harassment)

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

Submission to such conduct is made either explicitly or implicitly a term or condition of employment; or Submission to or rejection of such conduct by an employee is used as the basis for employment decisions affecting the employee; or

Such conduct has the purpose or effect of unreasonably interfering with an employee's work performance or creating an intimidating, hostile, or offensive working environment.

Harassment is any verbal, written, visual, or physical act that creates a hostile, intimidating, or offensive work environment or interferes with an individual's job performance.

No employee shall either explicitly or implicitly ridicule, mock, deride, or belittle any person.

Employees shall not make offensive or derogatory comments to any person, either directly or indirectly, based on race, color, sex, religion, age, disability, marital status, sexual orientation, national origin, and other forms of discrimination prohibited by the Wisconsin Fair Employment Act. Such harassment is a prohibited form of discrimination under state and federal employment law and/or is also considered misconduct subject to disciplinary action by

the City.

- (3) **COUNCIL CONDUCT WITH CITY STAFF.** Governance of a City relies on the cooperative efforts of elected officials and committee members, who set policy, and City staff who implements and administers the Council's policies. Every effort should be made to be cooperative and show mutual respect for the contributions made by each individual for the good of the community. Elected and appointed officials shall treat all staff as professionals.

(a) The following guidelines should apply for Council questions/inquiries to City staff:

1. General. Council and committee communications with City staff should be limited to normal City business hours unless the circumstances warrant otherwise. Responses to questions posed outside of normal business hours should be expected no earlier than the next business day.
2. Requests for General Information and Inquiries. Council members and members of committees may contact staff directly for information made readily available to the general public on a regular basis or for easily retrievable information not routinely requested by the general public. Under these circumstances staff shall treat the Council members and members of committees no differently than they would the general public, and the Council members and members of committees shall not use their status to secure preferential treatment.
3. Non-Routine Requests Requiring Special Effort. Any Council members and members of committees requests or inquiries that requires staff to compile information that is not readily available or easily retrievable and/or that requests staff to express an opinion (legal or otherwise) must be directed to the City Administrator, or to the City Attorney, as appropriate. The City Administrator (or City Attorney as appropriate) shall be responsible for distributing such requests for follow-up and shall review them for potential conflicts of interest. Advisory Legal Opinions from the City Attorney may be requested pursuant to §1.83, Ordinances.

4. Public Safety and Personnel Restrictions. Requests for information regarding personnel or Police Department actions are legally restricted. It is the policy of the City of Baraboo to adhere to confidentiality with all applicable legal authorities governing the release of personnel information, law enforcement, and other public records. Council members and members of committees shall not disrupt City staff while they are in meetings, on the phone, or engrossed in performing their job functions in order to have their individual needs met.

(b) Council members and members of committees shall not attempt to influence City staff on the making of appointments, awarding of contracts, selecting of consultants, processing of development applications, or granting of City licenses and permits, when the Council members or members of committees may have a conflict of interest. Such attempts may violate the criminal laws of the State of Wisconsin and thereafter result in prosecution by the District Attorney.

(c) Check with City staff on correspondence before taking action. Before sending correspondence, Council members and members of committees shall check with City staff to see if an official City response has already been sent or is in progress.

(d) Limit requests for staff support. Routine secretarial, exchange server support for public email accounts, and consultative support will be provided to all Council members and members of committees. Requests for additional staff support – even in high priority or emergency situations – shall be made to the City Administrator.

(e) Do not solicit political support from staff. Council members and members of committees shall not solicit any type of political support (financial contributions, display of posters or lawn signs, name on nomination petitions, etc.) from City staff at the workplace or during work hours.

- (4) **COUNCIL CONDUCT WITH THE PUBLIC.**

(a) In Public Meetings. No signs of bias, prejudice or disrespect should be evident on the part of individual Council members and members of committees toward an individual participating in a public forum. All efforts shall be made to be fair and impartial in listening to public testimony.

1. Public speakers shall be treated with respect.
2. Ask for clarification, but do not debate and argue with the public. Only the Chair – not individual Council members and members of committees – may interrupt a speaker during a presentation. A speaker shall never be belligerently challenged or belittled. Council members and members of committees’ personal opinions or inclinations about upcoming votes shall not be revealed until after the public hearing is closed.
3. No personal attacks of any kind, under any circumstance. Council members and members of committees shall be respectful of all speakers before them, and shall not be intimidating.

(b) In Unofficial Settings. Elected and appointed officials shall:

1. Make no promises on behalf of the Council, and shall not overtly or implicitly promise Council action, or promise City staff will do something specific (fix a pothole, remove a library book, plant new flowers in the median, etc.).
2. Members of Council and committees shall accurately communicate the attitudes and decisions of the Council or committee, even if they disagree with Council’s or the committee’s decision, such that respect for the decision-making processes is fostered.

(5) **COUNCIL CONDUCT WITH OTHER PUBLIC AGENCIES.** In dealing with other public agencies, bodies and commissions, elected and appointed officials shall:

(a) Be clear about representing the city or personal interests. If a Council members or members of committees appears

before another governmental agency or organization to give a statement on an issue, Council members and members of committees must clearly state: 1) if his or her statement reflects personal opinion or is the official stance of the City; 2) whether this is the majority or minority opinion of the Council. If the Council members and members of committees are representing the City, the Council members and members of committees must support and advocate the official City position on an issue, not a personal viewpoint. [See Baraboo Code of Ethics, §§1.70-1.85, Ordinances.]

(b) Correspondence must be equally clear about representation. City letterhead may be used when the Council members or a committees chair is representing the City and the City’s official position. A copy of official correspondence shall be given to the City Clerk as part of the permanent public record. City letterhead shall not be used for personal correspondence of Council members or other public officials or representatives. Council members and committee chairs may use City letterhead for correspondence sent in an official capacity regarding an issue the City is involved in.

(6) **COUNCIL CONDUCT WITH BOARDS AND COMMISSIONS.** The City has established several Committees and Commissions as a means of gathering more community input and the more in depth examination of issues affecting the City. Citizens who serve on Committees and Commissions become more involved in government and serve as advisors to the City Council. They are a valuable resource to the City’s leadership and should be treated with respect.

(a) If attending a Board or Commission meeting, be careful to only express personal opinions. Council members may attend any Committee or Commission meeting. However, they should be sensitive to the way their participation – especially if it is on behalf of an individual, business or developer – could be viewed as unfairly affecting the process. Any public comments by a Council member at a Committee or Commission meeting should be clearly made as individual opinion and not a representation of the feelings of the entire City Council.

(b) Limit contact with Committee and Commission members to questions of

clarification. It is inappropriate for a Council members to contact a Committee or Commission member to lobby on behalf of an individual, business, or developer in circumstances when the Conflicts of Interest rules apply. (See §1.77, Ordinances). It is acceptable for Council members to contact Committee or Commission members in order to clarify a position taken by the Board or Commission.

- (c) Committees and Commissions serve the community, not individual Council members. The Mayor or City Council appoints individuals to serve on Committees and Commissions, and it is the responsibility of Committees and Commissions to follow policy established by the Council. Committee and Commission members do not report to individual Council members, nor do Council members have the power or right to threaten Committee and Commission members with removal if they disagree about an issue. A Committee or Commission appointment shall not be used as a political “reward.”
  - (d) Be respectful of diverse opinions. A primary role of Committees and Commissions is to represent many points of view in the community and to provide the Council with advice based on a full spectrum of concerns and perspectives. Council members may have a closer working relationship with some individuals serving on Committees and Commissions, but must be fair and respectful of all citizens serving on Committees and Commissions.
  - (e) Keep political support away from public forums. Committee and Commission members may offer political support to Council members, but not in a public forum while conducting official duties. Conversely, Council members may support Committee and Commission members who are running for office, but not in an official forum in their capacity as a Council members and members of committees.
- (7) **COUNCIL CONDUCT WITH THE MEDIA.** The Mayor is the official spokesperson and representative on City positions. The Mayor shall be the designated representative of the Council to present and speak on the official City position. If individual Council members or members of a committee are contacted by the media, the Councilmember or member of a committee

should be clear about whether their comments represent the official City position or a personal viewpoint.

- (8) **ALCOHOL AND OTHER INTOXICANTS.** Elected and appointed officials shall not engage in any official duties while under the influence of alcohol, an intoxicant, a controlled substance, a controlled substance analog, or any combination of substances, to a degree which renders them incapable of exercising sound judgment in their official duties.
- (9) **VIOLATIONS OF CRIMINAL LAW.** It is a violation of the ethical standards of the City of Baraboo for a Councilmember or member of a committee to engage in violations of criminal law. A violation of criminal law occurs when, during their term of office, there is a guilty plea or plea of no contest to the criminal laws of any state or the United States or the ordinances of any municipality substantially conforming to a criminal statute.
- (10) **SANCTIONS.** Should there be an issue regarding whether a violation to this Code of Conduct has occurred, Council members and members of committees may consult with the City Attorney informally, or pursuant to §1.86, Ordinances, to seek guidance regarding the alleged behavior. Council members and members of committees should point out to offending members infractions of the Code of Ethics or Code of Conduct. If offenses continue, the matter should be referred to the Mayor, or the Common Council president in private. If the Mayor is the individual whose actions are being challenged, then the matter should be referred to the Council President.

The Mayor, or Council President, may privately address any conduct concern with Council members or committee members, including but not limited to: discussing and counseling the individual on the violations, referring the matter to the Ethics Board for consideration, or recommending sanction to the full Council to consider in a public meeting. Nothing in this section shall act to limit or restrict the right of any official or citizen to refer a matter to the Ethics Board pursuant to the procedures established in §1.84, Ordinances.

The Mayor and all Council members may initiate action by referral of the matter to the Ethics Board if a Council members or committee member’s behavior may warrant sanction. City Council members and members of committees who intentionally fail to follow proper conduct may be reprimanded or formally censured by the Council, lose committee assignments, or have official travel restricted. Serious infractions of the Code of Ethics or Code of Conduct are

neglect of duty and may lead to removal from office for cause, pursuant to §§17.12(1)(a), and 62.11(3), Wisconsin Statutes.
