March 30, 2016

Present: Roy Franzen, Marcy Huffaker, Todd Pershe, Serge Koenig, Bruce Stewart & Mike Hardy

Also present: Shawn Lloyd

Franzen called the meeting to order at 4:30PM. Legal Posting of the Agenda had been met.

Old Business:

Nothing further on the conceptual plan was discussed.

New Business:

Huffaker presented three design options for the formal planting area (interpretive gardens). Committee members reviewed all 3, with concensus that the round layout was preferred. Hardy stated that he would order a larger tree that would be planted at the center as part of the Arbor Day 2016/Arboretum dedication ceremonial planting. He asked the committee was tree they would like to feature as the centerpiece "Showcase Tree". Huffaker suggested a Bur Oak and committee members agreed that it would make the biggest statement.

Pershe stated he would be working on setting another clean up day before the dedication to at least get the path cleared. Future dates would continue invasive removal.

Franzen moved to adjourn, Seconded by Pershe.

Meeting adjourned at 5:45pm

Respectfully Submitted – Mike Hardy, City Forester
