

# PREScription PILL DRUG DISPOSAL (P2D2)

**What it is:** P2D2 is a program that was developed to assist the community in the safe disposal of prescription drugs.

**How to use it:** Citizens bring in their unused/unwanted items. Personal information (name, address) should be blacked out. Please leave the name of the medication. Liquids must be in original, leak-proof container and placed in a plastic bag. Items can then be deposited into collection box at the Baraboo Police Department,

## **Items accepted:**

- Prescription Medication
- Liquid medications in leakproof containers
- Pet medication
- Vitamins/Supplements
- Ointments/lotions/creams
- Suppositories
- OTC (over the counter) medications
- Homeopathic remedies

## **Items NOT accepted:**

- Needles/Sharps/Syringes
- Thermometers
- IV bags/fluids
- Bloody/infectious wastes
- Peroxide
- Empty containers
- Illegal drugs
